

Welcome to Texas Insurance Training Academy

Congratulations on your decision to partner with My Life Werks! The first order of business is to get your license. We offer our classroom course at a special rate for MLW agents. Click on the link below to register for our next class. Once you are registered, complete the first two steps below as soon as possible. We will work with you on the timing of scheduling your exam.

(choose the Life Only class)**

1. Schedule to get your fingerprints and exam
 - a. Cost is \$44 for each
 - b. www.prometric.com/arizona/insurance
2. Take your scheduled exam- we recommend at least 4 or 5 days after the completion of this class. You will need to spend 15-20 hours doing practice exams before you go and sit for your test.
3. Once you pass your exam, apply for your license using the NIPR kiosk at a Prometric Test Center. The Department deposits your (nonrefundable) fee, reviews your application and determines whether you qualify for the license. You (or Prometric on your behalf) may also need to provide the Insurance Licensing Section with your fingerprint card (Form FD-258), the Department's Fingerprint Verification Form L-FPV and Form L-152.
